Note from Ron Passage our new President:

The first thing I would like to do is thank the co - chairman's of the Christmas Party for putting on such a wonderful party. Thank you Jane Moore, Judy Allison, and Heather Moon for all their help.

Thank you for choosing me as your new President. I will need all of your help.

The Club is a very strong club because we have many people who are dedicated to it. We need to keep up the support, such as the Fair and our show. It is so important that everyone does a little so a few don't have to do it all.

The Fair displays have been discussed with the Board and we need the Club to decide if we want to support it or not. We need enough Members to volunteer to support it if we continue.

We also need your input on the direction the Club is going. Do you want any change in direction? Please let us hear from you.

We'll see you at the January Meeting.

Ron Passage

Program: Creating faux fossil tiles will be described by Rosalie Faubion. She will show the steps she used for her own tiles for her kitchen.

Lakeside Junior Rock Club Minutes

On Tuesday, December 12th, the Junior Rock Club had our annual Christmas party! It was a lot of fun. We painted rock and decorated cookies. We had a nice dinner of chicken. Thanks to everybody for bringing food to share.

Our next meeting will be January 9th. We will decide on what we want to do in the new year. If you have ideas, please have them ready to share next month.

Lakeside Christmas Party

Thirty-eight people enjoyed the fun, food, decorations and door prizes at the annual party held on December 9th at Coldwell Banker.

The theme of being thankful from things from above included a story about pennies from Heaven, a guessing game of “how many pennies” and “how many pennies do you have on your person?” Since snowflakes also come from above, the decorations included a number of “snowy” items.

Those who were “game” participated in the “Chicken Dance” again. Since Evelyn won last year, she was the judge. The winning dancer was Kay Hulstrom. We also “shook our booty” to a swingin’ snowman. Loretta Massey won the prize for the best wiggle.

The club furnished sandwich makings and attendees filled in with lots of goodies. We concluded the festivities with a gift exchange.

Thanks to all who participated and helped set up and clean up. We will be looking forward to a repeat next year.
